Message from the Special Administrator – 27 November 2026

Dear Common Law Holders

This is an update on the Court hearing this morning before Justice McIntyre.

Inspector's Third and Fourth Interim Reports

The Court will make orders that the Inspector's Third Interim Report be released to the Common Law Holders, with only minor parts blacked out.

How to access the Third Interim Report:

1. Common Law Holders who wish to access the Inspector's Third Interim Report should apply by clicking on this link: https://atla.com.au/register-for-documents/
2. ATLA will review requests for access and send a copy of the report to Common Law Holders. It might take a few days for ATLA to consider requests and send out the report.
3. If there are any issues, ATLA will contact you about your request.

Inspector's Addendum to the Fourth Interim Report and the Final Report

The hearing today was to make orders as to the release of the Inspector's Addendum Fourth Interim Report and the Final Report to the Common Law Holders.

ATLA, Rangelea and the Geraldine Anderson Sub-Group agreed that these reports should be released to the Common Law Holders with only minor parts to be blacked out.

However, some of the Sub-Groups (represented by Virginia Steward, Beverly Patterson, Sarah Coutlhard, Lynlee Smans, Vincent Coulthard, Roger Johnson and Michael McKenzie) tried to stop the release of these reports to the Common Law Holders by re-arguing points that have already been decided by the Court.

These Sub-Groups filed further submissions late yesterday saying that more parts of the reports should be blacked out. At today's hearing, the Court said that these submissions were filed out of hours and so had not been read by the Judge.

The Judge said that she will consider all submissions about what parts of the Addendum Fourth and Final Reports should be blacked out and will make an order as soon as she can for the release of those reports to Common Law Holders. I hope this order will be made sometime next week.

Next Steps

Once orders are made concerning the release of the Inspectors' reports, the Common Law Holders will have time to read these reports. As I mentioned at Saturday's Annual General Meeting, I intend on holding information sessions where Common Law Holders can discuss the reports together and ask questions.

The next Court hearing will be on 19 February 2027. It will be a short hearing for the Court to make procedural orders about the next steps.

I also remind Common Law Holders that the compensation monies (85%) will remain under the control of the Supreme Court of South Australia until the Inspector's investigation has been completed and the Court has made further orders. The balance of the funds held by the Court as at 31 October 2026 was $35,195,071.86.

Yours faithfully,

Peter McQuoid
