

# Culture and Heritage Surveys

If you  
are:

an Adnyamathanha  
person with cultural  
authority to speak for  
country

a younger  
Adnyamathanha person who  
wishes to learn about your  
heritage in order to develop  
your cultural authority

then you can  
take part in  
Culture and  
Heritage  
Surveys.

Each year we  
conduct  
about 10-15  
surveys

Each survey  
has between  
4-6 people  
participating

Participants  
are paid a daily  
allowance and  
reasonable  
costs.

if you are interested in being  
part of a Culture and  
Heritage Survey let us know  
by filling in the application  
form

REMEMBER:  
it is important to identify  
the part of your country  
that is your area of  
interest

If a survey is going to be conducted within that area of interest then you can be considered by the ATLA Culture, Heritage and Native Title Committee (CHANT) as a potential participant.

Please let your family and friends know about the Survey Participant Agreement, this will assist the CHANT to identify the right people for culture and heritage survey work.
