

Heathgate Resources – September 2025

Information Update for the Adnyamathanha Community

Celebrating 25 years

Since 2000, Heathgate has mined uranium at the Beverley mining operation near the northern Flinders Ranges in South Australia on Adnyamathanha Yarta. We are proudly regarded as Australia's leader in responsible and innovative uranium mining, powering a cleaner energy world.

A 25-year anniversary is testament to our longevity, resilience and long-term success, and an opportunity to reflect on business growth and accomplishments.

Heathgate especially thanks the Adnyamathanha people involved over the many years. Heathgate's relationship with the Adnyamathanha community is vital to sustaining the long-term viability of the business, and we look forward to continuing to work together well in to the future.

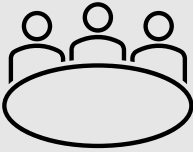

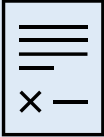

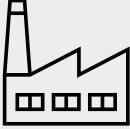

Heathgate will celebrate this occasion with some events for staff in September, along with an event for stakeholders in November including some senior Adnyamathanha attendees.

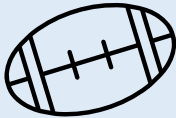

Heathgate Values

Heathgate recently launched its values to guide us to be the best people and company we can be. These Values live within four key principles that we call Heathgate's BEST. Better, Ethical, Smarter, Together.

Learn more about Heathgate's values on our website <https://heathgate.com.au/best/>

 Heathgate's website	To learn more about Heathgate please visit our website https://heathgate.com.au/ Please also visit our new page on Heathgate's website for accessible resources and downloadable information sheets for Adnyamathanha community https://heathgate.com.au/adnyamathanha-community/
 BAC Meeting	A Beverley Advisory Committee (BAC) meeting was held on 3rd September in Port Augusta. It was great to have eleven Adnyamathanha representatives (including four from ATLA) working alongside three Heathgate representatives and two Heathgate ALOs to talk about important matters related to the mining operation. The next BAC is planned for early December.
 Native Title Mining Agreement (NTMA) Review	ATLA will communicate later in October about the NTMA review process, including provision of summary documents and access to the NTMAs for common law holders. Heathgate looks forward to engaging with the community soon on this important review. For enquiries, please reach out to Trent McKenzie, ATLA Interim Business Manager businessmanager@atla.com.au 0435 297 479
 Production Operations	The new Four Mile North production and plant infrastructure is running well. Heathgate is producing from multiple deposits Four Mile West, Four Mile East, Four Mile Northeast and Four Mile North.
 Geology Operations	Production drilling continues in various deposits noted above, along with exploration drilling currently underway in Wooltana and North Mulga. Heathgate also concluded an exploration drilling program on Dieri country in the Western Flinders.

 Cultural Heritage	There have been 10 cultural heritage permit inspections conducted by the Aboriginal Liaison Officers in the last three months, including 14 potential cultural heritage site discoveries which have been avoided and managed by our operations and reported to the Adnyamathanha Traditional Lands Association (ATLA) and the BAC. Heathgate is reviewing requirements for another cultural heritage survey with ATLA before summer.
NAIDOC 2025 The Next Generation: Strength, Vision & Legacy.	Heathgate staff celebrated on the 9th and 16th of July at the Beverley camp with a bush food inspired menu, speeches from our Aboriginal Liaison Officers (ALOs), a door prize raffle, and a special visit from Adnyamathanha elder Mr Noel Wilton to share some songs and stories. Thanks go to our ALOs Jasmine, Tyson, Cameron and Juan for their effort preparing to make the event so special.
 Employment	Adnyamathanha people interested in exploring opportunities at Heathgate please view this info sheet link; Beverley-Mine-Employment-Opportunities.pdf located on our new Adnyamathanha community web page. Whether you're entering the workforce, changing careers, or an experienced professional looking to work on Adnyamathanha Yarta, we welcome your application. Contact: careers@heathgate.com.au
 Community Support	Please reach out to community@heathgate.com.au If you wish to request support for a sporting, cultural or other event or proposal which will bring benefit to the local Adnyamathanha community. To discuss any opportunity prior to submitting a request please contact Tom Hedditch, Heathgate's Head of Aboriginal Affairs 08 8110 0500
