Message from the Special Administrator

Dear Common Law Holders

In my last community notice, circulated on 10 August 2026, I advised that the next Court hearing was scheduled for **Wednesday, 12 August 2026 at 2:15 pm**.

The Court has now advised that, due to unforeseen circumstances, **today's hearing has been postponed**.

I will provide a further update as soon as the Court advises the new date and time for the hearing.

The Court has also advised that the Webex link used to observe Court hearings cannot **be distributed generally**. Instead, individual Webex links will be provided by the Court to people who have registered to observe the hearing.

If you would like to observe future Court hearings concerning Rangelea and ATLA, please register your interest by following the link below and providing your name and email address.

<https://atla.com.au/register-court-attendance/>

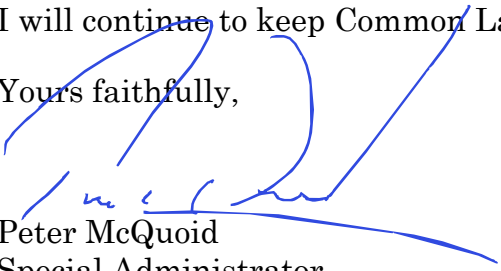

ATLA will maintain a list of people who have registered and, shortly before each hearing, will provide the list of names and email addresses to the Court. The Court will then send an individual Webex link directly to each registered person.

You only need to register once. Your details will remain on ATLA's list for future hearings unless you ask to be removed.

Finally, I remind Common Law Holders that 85% of the compensation money remains under the control of the Supreme Court of South Australia. The money will remain under the Court's control until the Inspector has completed his investigation and the Court makes further orders.

I will continue to keep Common Law Holders informed of important developments.

Yours faithfully,

Peter McQuoid
Special Administrator
